

As a Board Apprentice, **do you have a clear idea about what you would contribute to a board as a non-executive director?** What **talent diversity** are you bringing to the board?

Talents, the way in which we most naturally think, feel, and behave represent our true power and potential. That talent can be productively applied to achieve your goals to truly become a *“Senior Board Ready Executive”*.

SquarePeg Ltd., 1 of only 630 GALLUP® Certified Strengths Coaches worldwide with a presence in the Caribbean and Mid-Atlantic, helps Board Apprentices first discover their strengths through Gallup’s online assessment the StrengthsFinder. Next, through coaching conversations and a partnership with a Gallup Certified Strengths Coach, Apprentices invest time exploring, experimenting, understanding and appreciating their talents and strengths.

The pinnacle of strengths development is an intentional, strategic and productive use of your talents and strengths aimed at performance.

SquarePeg has uniquely crafted “Talent Diversity”, a virtual strengths based coaching program specifically for Board Apprentices. We are pleased to offer a 20% discount to all 2016/2017 Board Apprentices.
